## Volunteer – Internship Opportunity

Division: Interpretation and Resource Management

Location: Visitor Center and Park Headquarters

Position: Historical Researcher – American Indian History

This person works with park and partner managers and staff throughout the park and partner sites to research the American Indian history associated with Fort Stanwix, partner sites, and the Northern Frontier. Research reports generated are used by park staff to strengthen interpretive and educational programs. This person assists in setting the tone for visitors' experience before, during and after their visit to Fort Stanwix, partner sites and the Northern Frontier.

### Major Duties:

- ☞ Successfully completes the U.S. Department of the Interior's Federal Information Security course in order to use NPS computers
- ☞ Conducts historical research on and off site
- ☞ Utilizes Microsoft Office Suite 2007 to write reports and briefings for use by park staff and to further build the park's library resources
- ☞ Makes recommendations for resources the park should acquire to augment park library collection
